The image shows a trading interface with a dark background. At the top, there are tabs for 'Limit', 'Market', and 'Trigger', with 'Market' selected. To the right, there are links for 'Margin 5x', 'Transfer', and 'Fee Rate'. The interface is split into two columns. The left column is for buying BTC with USDT, showing 'Available 30,000 USDT'. It has a 'Price' field set to 'The best market price' and a 'Total' field set to '≥ 5 USDT'. Below this is a progress slider from 0% to 100%. At the bottom is a green 'Buy BTC' button. The right column is for selling BTC, showing 'Available 0.00 BTC'. It has a 'Price' field set to 'The best market price' and an 'Amount' field set to '≥ 0.000001 BTC'. Below this is a progress slider from 0% to 100%. At the bottom is an orange 'Sell BTC' button.
